CORRIGENDUM

New Zealand Journal of Forestry Science

Vol. 1, No. 1 (May 1971)

WHYTE, A. G. D.: Sectional Measurement of Trees: A Rationalised Method.

Page 75, line 4. The formula:

$$\text{"}\pi/4 \cdot L \cdot (Dd + (D + (D-d)^2/(r + 1))\text{"}$$

should read $\text{"}\pi/4 \cdot L \cdot (Dd + (D-d)^2/(r + 1))\text{"}$.
